## INTRODUCTION

Today's 'run and gun' shooting style makes providing adequate power to cameras and shooting accessories a 'must have' kit addition. Remote locations, once in a lifetime image capture opportunities, and long production days are not forgiving of power supply failure. Our PROAIM battery pack can help avoid the frustration and embarrassment caused by lack of power in a sophisticated top to bottom package.

## IN THE BOX

Please inspect the contents of your shipped package to ensure you have received all that is pictured and listed below.

## COMPONENTS

- Water resistant, Hi Impact Pelican Case
- 12V chloride battery
- Charger
- Universal Adapter

## FEATURES

- Great for rugged sports - not for swimming or submerging.
- Water resistant, crush resistant and dust proof.
- Easy open - secure close latch.
- High grade, impact resistant suitcase.

One of the unique features of our **PROAIM POWER PACK** is our LED battery check that displays a charge indicator, power consumption and operational fault in three different modes.

- **FULLY CHARGED**, the LED glows green.
- **LOW VOLTAGE**, the LED indicates red color.
- **FAULT MODE**, in case of a technical fault, the LED blinks yellow.

## SPECIFICATIONS

- 12 volt, 7-amp hour memory-free battery
- 100 - 240 volts AC input voltage
- Charges from completely flat to fully charged in 5 hours
- Working Hours Approx: 5 hours (with a single device)
- No need to discharge completely before charging
- LED charge indicator
- 4-pin XLR power port
- Built-in, attached power cord stores inside the battery
- Outer dimensions: 13" (L) x 10" (W) x 4.5" (D)

## CLEANING INSTRUCTIONS

Most scuffs and stains can be easily removed using household cleaner and a soft sponge. Do not use any type of brush that will scratch the surface. An occasional application of "Armor all®" or similar protection will keep your Pelican Case looking new.

## WARRANTY

We offer a one year warranty for our products from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product, or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover the complete cost of sending replacement parts within the warranty period. After that, Nominal cost of the product & Actual shipping cost will be charged.

Do not send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to **Contact us** immediately and we shall do our Best to help you out. For any other assistance you can reach us via email.
